To

C Narayanaswamy Naidu, Esq, B A, B L,
Legal Remembrancer and Secretary to Government,
Law Department, Bangalore.

Sir,

I have the honour to state that there are 5 Local Fund Dispensaries and 3 Reduced scale dispensaries in this city paid for by the Municipality According to Article 303(1) M A M. the contribution on account of fixed charges of Local Fund Dispensaries situated within Municipal limits has to be paid on receipt of the demand from the Comptroller as provided in the State Budget Since the District Board and the Municipality were paying these charges in the proportion of 1 to 2, this arrangement was inevitable As per G O No L 6405-10 M1/150-40-41 dated 27-2-1941, Mysore District Board discontinued payment of 1/3 charges and since 1941-42 this Municipality has been paying the full charges of the 5 Local Fund Dispensaries in the city In the case of 3 Reduced scale dispensaries situated in the city the pay of establishment and contingent charges except the pay of Sub Assistant Surgeon and cost of Europe medicines is paid by the Municipality on receipt of monthly bills from the Hospitals concerned Besides, the pay of midwives of the 5 Local Fund Dispensaries is being paid by this office direct on monthly bills prepared in this office The present procedure of paying annual contributions on account of the pay of the other members of the establishment of Local Fund Dispensaries has given rise to much correspondence, the procedure will be simplified if instead of paying contribution once a year on demand from the Comptroller, the bills are paid direct by the Municipality month after month as in the case of Reduced Scale Dispensaries I, therefore, request you kindly to sanction the adoption of this arrangement for payment of charges in the case of Local Fund Dispensaries with effect from the official year 1944-45. A copy

of this letter is sent to the Senior Surgeon also
